Dear hermanos en Cristo:

I send you my brotherly greeting in Christ. I wish for you a happy year 2012, good health, much spiritual prosperity, and lots of joy in the Lord.

I am sending this report because I went to preach a gospel meeting in Hermosillo, Sonora, Mexico. It was from 7 to 11 of December, Wednesday to Sunday. In fact I arrived there on Dec. 6,

because I was no willing to arrive late, if having any delays on my flights.

If it is true that a picture is like one thousand words, these photos tell you a lot about the gospel meeting. You see the preacher, Enrique Cisneros and his wife and half of the congregation. On the other side, you see the other half of the congregation and me. Brethren expressed satisfaction with my lessons.

Thanks for supporting me to preach. It is enormous the good work you do in supporting me to proclaim the Word.

Brotherly:

Valente
